

SOUTH SALMARA COLLEGE

POLICY DOCUMENT ON ENVIRONMENT AND ENERGY USAGE

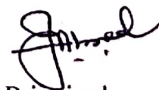

The Environment and Energy usage policy of South Salmara College is to manage energy in such a systematic way so as to minimize its impact on the environment. The policy implies to explore the renewable energy resources to reduce the burden of the government and to find out alternate resources as solutions to energy crisis.

This environment and energy policy is binding for all the components of the institution and applies to all its stakeholders and to the various activities undertaken by the institution. It will help us to embed efficiency and environmental awareness into our everyday activities, thus helping us to realize our responsibilities and commitment to conservation of natural resources and to limit its usage. The college conducts green literacy programs to save energy to protect the environment.

POLICIES:

- ❖ To assess our energy usage and measure its impact on the environment.
- ❖ To count CO₂ emissions generated by our means of transportation-Vehicles.
- ❖ To reduce local air pollution emissions using environment-friendly vehicles including bicycles, public transportation (E-Rickshaw) use of pedestrian-friendly roads
- ❖ The institution has future plan to install photo voltaic solar panels for the generation of alternative energy.
- ❖ To install LED bulbs in whole campus to save energy.
- ❖ To develop systematic waste management mechanism.
- ❖ To undertake tree plantation drive.
- ❖ To monitor and respond to emerging environmental energy issues
- ❖ To strengthen our employees and students environmental knowledge and skills in order to improve our environmental performance.
- ❖ To offer opportunities for employees and students to engage in initiatives which contribute to environmental protection.
- ❖ To train our employees and students to make them "Go Green Specialists" and partners to plant trees each year.

This policy will be communicated to the students and employees via internal communication channels. The Environment Energy Policy and objectives will be reviewed on a regular basis by the Principal
